

HOME/SCHOOL AGREEMENT

The Academy will:	The Student will:	The Parent/Carer will:
<ul style="list-style-type: none"> ✓ Develop a “can do” culture through having the highest expectations of students, setting challenging and realistic targets that support them to achieve. ✓ Provide high quality teaching to enable students to develop effective learner behaviours. ✓ Provide a broad and balanced curriculum that is personalised to the needs of students and supports them to develop the skills and competencies needed to meet the demands of the 21st Century. ✓ Assess students regularly, track and monitor their progress, using the outcomes of that assessment to plan and deliver the most appropriate provision for learners to enable them to make progress in all phases of learning. ✓ Involve students in the all aspects of the Academy ensuring they have the training, support and opportunity to play a full and active part in Academy developments. ✓ Provide high quality support and guidance to ensure students feel safe, supported and respected by staff and other students. ✓ Provide support for individual and groups of students to help remove any barriers they may have to learning. Have zero tolerance to all forms of bullying, including cyber bullying. ✓ Communicate regularly, positively and effectively with parents. ✓ Have high expectations of students in terms of behaviour in lessons and in social spaces in an around the Academy. Have a clear code of conduct that is understood by all and sanctions that are consistently applied by all staff. 	<ul style="list-style-type: none"> ✓ Work with staff to set challenging targets to be sure I make at least good progress. ✓ Work hard in lessons, be a positive, enthusiastic learner, try new things and don't give up if I find learning difficult. ✓ Understand why I might be doing things differently from other people at different times. Understand what skills I have and work on those I need to develop. Apply those skills to all I do inside and outside of the Academy. ✓ Develop my Daring Greatly qualities so that I can be the most effective learner I can be. ✓ Track my progress towards achieving my targets and work with staff to do what I need to do to improve. ✓ Take the opportunities I am offered for training and use my skills to improve the Academy for myself as well as other students and staff. ✓ Talk to staff if things are worrying me and work with staff who want to support me. ✓ Do not get involved in any form of bullying; tell someone if I, or another student, is being bullied. ✓ Have high expectations of myself and behave in the way I am expected to in lessons and in and around the Academy. Accept that if I don't I will have to accept the Academy sanctions as a result of this and make improvements to my behaviour in the future. ✓ I will work hard to ensure I exceed the academy attendance target of 96% and accept the support available if my attendance drops below this. 	<ul style="list-style-type: none"> ✓ Have high expectations of my child and support them to achieve their targets. ✓ Encourage my child to work hard and be positive about their learning. ✓ Take an active part in any discussions about my child's curriculum pathway and support my child at all stages of learning. ✓ Know what my child's targets are and give them support and encouragement to make progress towards them. ✓ Support and encourage my child to take a full and active part in Academy life. Lead by example by becoming involved in opportunities for parents/carers within the Academy. ✓ Have zero tolerance of bullying. Talk to staff in the Academy if my child is being bullied. ✓ Communicate regularly and positively with the Academy. ✓ Have high expectations of my child's behaviour and support the Academy if sanctions are applied for unacceptable behaviour. ✓ Ensure my child attends the academy each day with the correct equipment and uniform.
