Dear Parent/Carer

YEAR 10 RAISING ACHIEVEMENT EVENING

We hope to see you at the Year 10 Raising Achievement Evening on

WEDNESDAY 22 MARCH 2017
4.00 – 7.00 PM

This will be a fantastic opportunity for you to meet your son/daughter's subject teachers and discuss their work in the Academy. At this event you will receive the most recent teacher assessment data, which we hope you will discuss not only with your child's subject teachers but reflect on and discuss with your child after the Raising Achievement Evening.

What is a raising achievement event?

We have changed the way we approach Parents' Evening as we have learnt from the success of previous events held in the Academy and taken on board feedback from parents. They will now include:

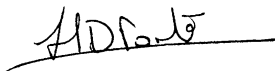

- Appointments with subject teachers for a ten minute one-to-one meeting to discuss strengths, progress to date and next steps required for each child
- The opportunity to collect and take away revision materials for each subject area
- Advice on home learning to enable independent learning skills to be developed, leading to greater academic success

Please find attached an appointment slip which we would ask your son/daughter to complete by making convenient appointments directly with their class teachers. This completed slip should be brought with you to the Raising Achievement Evening on Wednesday 22 March.

We hope that you can continue to support us throughout this academic year by attending events we have organised to help your child be successful in their learning. Working in partnership we can communicate to the young people we work with that the 'sky is the limit' in terms of achievement if they maximise the effort they apply to all of their learning. We have proof that making a determined effort in class, attending period 6 sessions and reaping the benefits of home learning is essential to maximise success.

We look forward to seeing you and thank you in advance for your support.

Yours sincerely
