Dear Parent/Carer

LAUNCH OF APP (RSCONNECTED)

To run alongside the very successful text messaging service which we currently provide to parents, the provider of the service, RSConnectEd are now providing an app which we are launching across the Academy.

Currently the app is displayed as follows and any child you have in an educational establishment where the RSConnect Ed app is in use, you will be able to access their individual academic details.

The App is available to download and use from today. To download the App please follow the instructions below.

Download/installation information

The app is available for IOS and Android devices; please visit the following link on your device to download: <https://www.myedschoolapp.com/>

Once installed, please launch the app and then search for Freebrough Academy, select us from the list of results and then fill in your full name, mobile number and email address, submit and you will then be sent a security code via text message, input the security code when requested and submit. This will then enable to use the app at your convenience and leisure. It may take up to 24 hours to be able to see your student's details.

We have also enclosed a flyer from MyEd App with more information.

We would like to thank you for your support.

Yours sincerely

MRS E CHAPMAN
Office Manager

MR M TANN
Network Manager
